

PRODUCT: Plastik Honey Premium Autobody Filler Thinner

PART NUMBER: 101249 **Pint** **12 units/case**

DESCRIPTION: Plastik Honey is an autobody filler thinner formulated to thin and enhance all fillers, including the premium fillers and polyester glazing putties. It can be added to the complete line of Evercoat MetalWorks products, as well as, all competitors fillers and putties. Add a small quantity of Plastik Honey to the filler (prior to adding hardener) and continue to increase the amount until desired smoothness is achieved.

FEATURES & ADVANTAGES:

- Improves spreading properties of fillers
- Reduces pinholes • Helps improve stain resistance
- Keeps tack free filler tack free
- Ideal for Evercoat's MetalWorks Products
