

TECHNICAL DATA SHEET

Panel Prep

104189

DESCRIPTION:	Panel Prep is a general CFC free cleaner formulated to remove solvent and water based surface contaminants from plastic parts prior to the repair process. Easy wipe on application with a clean cloth and wipe off. Fast drying with no residue. Can be used with epoxy and urethane repair products.												
USES:	FOR PROFESSIONAL USE ONLY Removes mold release and unwanted electrostatic charges from plastics.												
STORAGE:	 <p>Store in accordance with local regulations. Observe label precautions. Store in a cool, well-ventilated area away from incompatible materials and ignition sources. Do not expose to temperatures exceeding 50°C. Keep away from heat and direct sunlight. Keep away from: oxidizing agents, strong alkalis, strong acids, amines, alcohols, water. No smoking. Prevent unauthorized access. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Keep out of the reach of children. Do not empty into drains.</p>												
PREPARATION:	 <p>Clean the part with soap and water. Use a clean dry, lint-free cloth to wipe the area dry. Allow to dry thoroughly.</p>												
APPLICATION:	 <p>Apply Panel Prep to a clean, lint-free cloth and wipe the surface. Wipe from the center of the repair area to outside edge. Wipe dry with a clean, dry, lint-free cloth.</p>
