

**PRODUCT:** MAXIM™ PANEL PREP

**PART**

**NUMBER:** 100881      Aerosol (9.5 oz)      12 units/case      7.6 lbs/case

**DESCRIPTION:** MAXIM™ Panel Prep is a blend of citrus cleaners formulated to remove solvent and water-based contaminants from plastic parts. This product can be used in the cleaning step before applying plastic repair materials.

**FEATURES & BENEFITS:**

Easy to use: apply with a clean cloth and wipe off

Fast dry; leaves no residue

Removes mold release on plastics

Can be used with epoxy and urethane repair products

**USES:**

Removes surface contamination from plastic parts prior to the repair process.  
Excellent cleaner to remove solvent and water-borne contaminants.

**PREPARATION:** First wash part to be repaired with soap and warm water. Allow to dry thoroughly.

**APPLICATION:** Apply Panel Prep to a clean, lint-free cloth and wipe surface. Wipe from center of repair area to outside edge. Wipe dry with a clean, dry, lint-free cloth.
