PRODUCT: White Masking Paper

PART

NUMBER:	100477	11.5" x 738'	3 rolls per carton	18 lbs. per carton
	100478	17.25" x 738'	2 rolls per carton	18 lbs. per carton
	100479	34.5" x 738'	1 roll per carton	18 lbs. per carton

DESCRIPTION: Evercoat's white masking paper is a chemically treated, urethane grade masking paper. It has excellent paint penetration resistance from all solvents used in today's waterborne and urethane paint systems. It is ideal for the toughest automotive, industrial and marine applications.

FEATURES & BENEFITS:

Ideally suited for base coat/clear coat or waterborne paint systems

Unique fiber design makes it perfect for use where high paint and solvent hold-out is needed

Water resistant to wet sanding, allows paint shops to wet sand without having to re-mask afterward.

Provides excellent conformability; ideal for masking mirrors, window and curved surfaces

Fits all standard paper/tape machines

Unique fiber and plastic cores reduce fiber contamination creating cleaner paint jobs
