# TRIPLE CLAY

## SURFACE PREPARATION BAR

Triple Clay is a soft clay bar used to remove paint overspray and other surface contaminants from paint, chrome or glass. Its cleaning power cleans the surface without marring or damaging the surface. Triple Clay is ideal for use on cars, trucks, SUV's, motorcycles, boats and airplanes.

### ***DIRECTIONS FOR USE:***

- Form Triple Clay into an oval shape.
- Spray #035 TRIPLE MIST onto a 3' x 3' section of a clean, dry surface
- Gently rub Triple Clay bar over the area using a back and forth motion
- Wipe the surface dry with a clean microfiber towel
- For added gloss, apply #032 TRIPLE GLOSS on surface

### ***TECH TIPS:***

- To store Triple Clay, spray a small amount of Triple Mist inside the re-sealable bag , then drop in clay bar
- To clean Triple Clay, simply fold in half and reshape into an oval shape
- Discard Triple Clay if it is dropped on the ground

|                    | <b>Part No.</b> | <b>Size</b>   | <b>Units/Case</b> |
|--------------------|-----------------|---------------|-------------------|
| <b>TRIPLE CLAY</b> | 100037          | 2 – 100g bars | 6                 |
| <b>TRIPLE MIST</b> | 100035          | 22 fl. oz.    | 12                |
